We are delighted to share with you our **2021 Social Responsibility Report**. This edition is very special for us at BMA because it's our first Social Report since we joined the United Nations Global Compact last year.

In the Report, we talk about the social transformation actions we engaged in last year, and reaffirm our commitment to making the Global Compact – and its universal principles and Sustainable Development Goals (SDGs) – a fundamental pillar of our culture and our practices.

[Click here](#) to view our 2021 Social Responsibility Report and learn more about the main initiatives we carried out and the partner organizations we work with.
