Patents Ana Cristina Müller

We're proud to share that partner Ana Cristina Müller of our Intellectual Property practice has been named in **IAM Strategy 300** for the second consecutive year.

Published by IAM Patent, the guide highlights global leaders in patent strategy – professionals recognized for their innovative approaches and strategic contributions to maximizing the value of IP portfolios. Inclusion is based on a rigorous selection process, including interviews with IP executives worldwide and multiple peer nominations.

Congratulations to Ana Cristina on this well-deserved recognition. Her achievement reflects not only her own dedication but also the collaborative, cross-disciplinary strength of BMA's Intellectual Property team.
