Recognition

We have been highlighted in the **16th edition of the Análise Advocacia** guide, which lists the most admired law firms and lawyers in the country. This year, the publication recognizes 37 BMA practitioners, 16 practice areas and 32 economic sectors.

Once again, our partner Barbara Rosenberg holds the top position among Brazil's most admired competition lawyers.

To arrive at this year's results, Análise conducted interviews with corporate counsel and financial executives responsible for hiring legal services for Brazil's largest companies.
