Recognition Intellectual Property

We are proud to announce that BMA has been recognized in both **IP Stars** and **IAM Patent 1000**, two highly respected guides to the best Intellectual Property firms and practitioners around the world. In addition to recognizing our IP practice, both guides highlighted the work of BMA PI partners and practice leaders.

IP Stars recognizes our work in the categories **Patent contentious**, **Patent prosecution**, **Trade mark contentious** and **Trade mark prosecution**.

Partners Antonella Carminatti and Pedro Frankovsky Barroso are named Trade mark Stars 2022 and partner Ana Cristina Müller is named a Patent Star 2022.

IAM Patent 1000 highlights **our Patents practice** and our practitioners Ana Cristina Müller, Antonella Carminatti, Lilian Ghitnick Arcalji and Pedro Frankovsky Barroso.

According to IAM Patent 1000, "BMA works closely with its clients to achieve their business goals. It provides a personalised service that is enhanced by a collaborative style of working that sees its litigators, corporate lawyers and engineers come together to resolve complex issues."

Achieving important recognition such as this is a reflection of the excellence of our Intellectual Property practice and the result of our practitioners' multidisciplinary work and complementary skills. Congratulations to all!
