Recognition

Published by IAM and World Trademark Review (WTR), Copyright 1000 is a new international guide dedicated exclusively to the copyright field, highlighting leading firms and practitioners based on independent research, market standing, experience, and client and peer feedback.

In its first edition, BMA received firmwide recognition, while **Antonella Carminatti**, **Jana Fraccaroli**, and **Pedro Frankovsky Barroso** were individually recognized for their work on strategic copyright matters spanning litigation, advisory mandates, and transactions across a range of industries.

The recognition reflects the strength of BMA's Intellectual Property practice and its experience in advising clients on increasingly complex and strategic copyright matters.
