Professional experience

Her practice involves the acquisition, maintenance, and enforcement of trademark rights before the Brazilian Patent and Trademark Office (INPI), conducting clearance searches and registration feasibility analyses, managing domestic and international portfolios, as well as handling extrajudicial measures related to trademark infringement, copyright violations, and unfair competition.

She also advises on the drafting and review of intellectual property agreements, prepares legal opinions, handles copyright registrations, and conducts intellectual property asset analyses in merger and acquisition transactions.

Education

Intellectual Property Course – University of Geneva in partnership with the World Intellectual Property Organization (WIPO), Geneva (2025).
